Thank you for all of your harvest donations on Monday—the pantry team were extremely grateful as every single item will be used to support our families. Similarly, thank you for any of today's donations (and those in the next few weeks) for our fireworks evening. This is such a huge part of the GG calendar and everyone involved is very excited to be part of the event. The QR code to be able to buy tickets can be found on the poster on the final page of this newsletter.

Please **do not use the school car park unless you have a valid permit**. Once again we have had near-misses.

Also, do not double park, please as our staff need to come and go promptly at all times of the day.

Reminders of some dates coming up:

Snapshot of the week:

We used tens frames to add 2 single digit numbers together. We made it easier by making one number into ten and then adding what was left.

Working practically to find 1 more and 1 less than a number up to 10. Sienna challenged herself to work with a 2 digit number!

We used willow from Mr Ansell's garden to make fences. We worked in 3s and took it in turns, making sure we were going over and under and being safe.

Y4 trip to Rustington Methodist Church:

As part of their R.E. work the children had the chance to walk to the church and learn about life in a church, symbols, routines, life of a minister and artefacts used. It is wonderful to hear how inquisitive and respectful the children were.

Grateful thanks to Rev Rosemarie Clarke for spending so much time helping the children.

Sports News:

Padel Taster Session

On Monday, a group of children took part in an exciting Padel taster session. Padel is a fun combination of tennis and Squash, it's one of the fastest-growing sports in the UK, and the new padel courts at Worthing Rugby Club provided the perfect setting for the session, organised by Padel Project UK.

The children enjoyed a fantastic coaching session with Ryan from Padel Project, who was friendly, enthusiastic, and brilliant with the children. They learned a range of new skills and techniques to help them get started with the game - and everyone who took part absolutely loved it!

If you'd like to find out more about Padel Project UK, please visit their website or download their app or search on social media, where you can learn more about the sport and book a court!

Harvest:

Thank you all so very much for your kind donations to our harvest assembly. The pantry team are so grateful for each and every item. Grateful thanks to Gill Renney (in orange) from St Peter's and St Paul's church for leading the assembly.

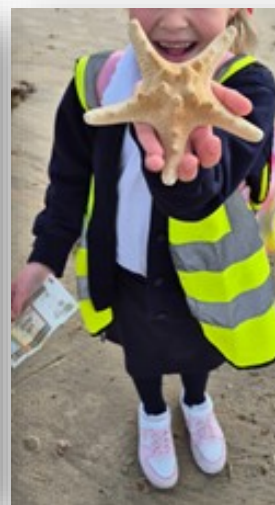

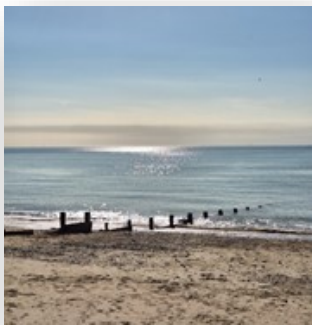

YR Firefighter Visit:

The firefighters from the Littlehampton station visited the children in YR this week. They had the chance to see all of the equipment on the fire engine and hear all about the different roles of a firefighter. The children even had the chance to try using the hose!

Y2 Beach Trip:

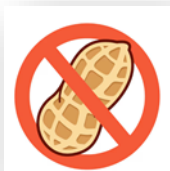

On their recent visit to the beach the children were surprised to find a number of items which had been 'washed up' from somewhere. They had to hunt carefully to make sure the area was clear of treasure before bringing it back to school to use as a prompt for their writing.

Lunch boxes:

We have noticed that some children are regularly bringing inappropriate food in their lunch boxes. Please do not send your child with big bars of chocolate, sharing packs of crisps, sweets (such as 'Moam') or, indeed, chips.

We also have children in school with **extremely serious nut allergies** so **DO NOT** ever send nut based food / peanut butter / cakes with nuts in.
