Dear families,

If your child did not receive their flu vaccination at school, and you would like them to be vaccinated, you can still get your child vaccinated at a catch up clinic. Unfortunately there will be no catch up sessions being run in school.

To organise an appointment with one of the catch up clinics then please do the following: Please ensure you complete the online consent form by going to: www.susseximmunisations.co.uk Please enter and confirm your email address - you will receive an email confirmation, following submission of the consent form. Enter your school code: SX125959, complete and submit the consent form, please ensure you provide your child's registered address and GP.

Once you have submitted the forms and received your email confirmation, please call your local team and book a clinic appointment. They are currently experiencing high call volumes and therefore may not get back to you immediately, however flu clinics are running until January, so please keep trying.

To speak to a member of the Immunisation Service, please call your local team on 01273 696011 and choose the extension required below. Brighton Ext. 3789 Chichester Ext. 8100 Crawley Ext. 2043 East Sussex Ext. 2080 Worthing Ext. 8533

Many Thanks
