

'Once Upon a Time'

Year One

Spring Term 2022

Rationale for Learning

Our topic has a History focus. We will be reading a variety of fairy tales and will be learning about the different characters and the homes in the stories. We will learn about different sorts of homes and will look at the old and new houses in our local area. We will be learning about the Victorians and comparing modern and historical home life. We will use a wide range of historical resources including photos, videos and artefacts.

Suggested activities for families to help support learning

Please read regularly with your child. Use the Phonics sounds in the reading record book to practice them too.

Practice spelling the Year One common exception words.

Practice counting in 2s, 5s and 10s.

Practice counting forwards and backwards beyond 100.

Key Vocabulary:

Topic – House, home, Victorian, Chronology, history, past, present, future, character, plot, setting

Maths – count, forwards, backwards, more, less, equal, how many, greater, fewer, addition, subtraction, heavy, light, big, small, tall, short, measure, pounds, pence.

English – letter, sound, phoneme, digraph, sentence, full stop, capital letter, finger space, noun, verb, adjective.

Reminders

PE is usually on Tuesdays and Wednesdays. Please ensure warm, named PE kits are in school every day, including jogging bottoms, trainers and socks.

Dates TBC Walk around local area – local history.

'Once Upon a Time'
