Newsletter Friday 19th September 2025

Please do not allow your children to play on the playground equipment before and after school. Thank you.

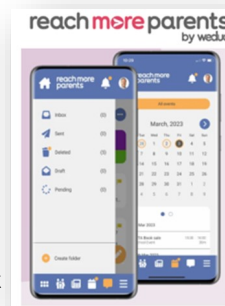

School comes even more alive when clubs start up again! It is great to see so many excited faces as the children gather for their clubs. The first locality sporting event of the year happened on Tuesday with KS2 children heading to The Angmering School for the Angmering Mile. Well done to them for taking part in such inclement weather! Our new football coaching club was very popular as was fencing on Friday.

A reminder, please that children must not bring a pencil case with them to school. In our experience, items get lost, broken or damaged which causes a great deal of upset. All necessary stationery items are provided in school. Thank you for your understanding with this.

New Communication System:

All parents/carers will have received information via Ping last week about the new and exciting app we will soon be using for all our school communications, called **Reach More Parents**. We have today sent out login details to all parents/carers via email and ask that you kindly download the app and login, at your earliest convenience please.

There is a direct customer support email for parents/carers should you require any technical assistance - support@weduc.com (please provide your name and telephone number when using this service to enable the team to make contact with you, thank you).

Snapshot of the week:

After acting out how particles behave, the children represented what they knew using play dough. Next they passed around and compared balloons filled with the 3 different states. Finally, they sorted a variety of materials into solids, liquids and gases and drew them onto a Carroll diagram.

The children worked in pairs, they rolled the dice then made the number on the 10 frame. The children worked together to find the number on the numberline and counted on to 20!

We looked at how numbers were represented pictorially, as digits, and as words. We matched the digit with its name. We were also able to order the numbers from 1 to 10.

Scarecrow!

It was a delight to welcome Sheila Marsden, Chair of Rustington Heritage Association, to our assembly on Friday. She was here to present our 'Chatterbooks' children with a certificate for being runners-up in the local scarecrow trail competition. Their Willy Wonka scarecrow was excellent as you can see in the photo! The children worked hard on their creation under the expert guidance of Mrs Sims, our librarian and Chatterbooks club leader.

Sports News:

On Tuesday we kicked off the first very first fixture of the school year - The Angmering Mile And wow did our runners make us proud.

This was the first time some of our Year 3's have tackled the longer race and although it was a bit further than they expected they absolutely smashed it! Hannah came flying in at 7th place and Liala wasn't far behind in 8th and that against girls from Year 3, 4, 5 and 6, what a result!

The boys had just as much to celebrate, brothers Leo and Max stuck together towards the end of the second lap and finishing side by side in 11th and 12th place, for Max as a Year 3 runner that's an incredible achievement, but both boys did brilliantly.

And then there was Theo who ran an absolute stormer at one point he even pushed into 2nd place before finishing in an amazing 3rd overall.

A huge cheer for all five of our runners. You gave it everything and we couldn't be prouder!

Sponsorship:

If you, or someone you know would be interested in sponsoring our fireworks event or donating money towards it, please do contact the school or email the PTA team: pta@georgiangardens.co.uk

Match funding:

Do you own or work for a company who match funds fundraising events? If you would be willing and able to join one of our PTA events in the year and offer this excellent source of extra income, please contact the school either via the office or the PTA email pta@georgiangardens.co.uk

Very many thanks, in advance!
