Newsletter Thursday 26th May 2022

It may have been a shorter week for the children but what a great end to this half term. Alongside all of their other work, the children have been learning about the jubilee, Queen Elizabeth, her reign, her family and her life. We have had a fantastic festival to celebrate the jubilee to end the week. We really do have some amazing talent in this school. Happy half term!

Tomorrow, Friday 27th May is an INSET day. We look forward to seeing the children back in school on **Monday 6th June**.

Year 3 baking:

Year 3 made their own scones and had a little jubilee party on Wednesday.

Summer Fair:

A request from Mrs Carolin—if you have any spare jam jars, please do bring them into school as Mrs Carolin is going to be making her famous 'mystery jars' once again. She has also requested donations of sweets or lollies for her to put in the jars. Thank you.

Uniform:

The half term break is a good chance to check through uniform. Please ensure that your child is dressed in full school uniform. This does mean no trainers (unless medically required and approved by SLT), plain black shoes, school or plain blue jumpers/ cardigans (not any other type of jacket or sweatshirt), small hair clips in school colours or hair colour, white t-shirts or shirts, red shorts/house t-shirt for P.E.

We thank you for your co-operation in this matter.

Here are some key dates which are coming up:

Summer fair non uniform days

Friday 24th June—bottles

Visitor in school:

As part of the preparations for our jubilee celebrations we were lucky enough to have visit from Steve Leggett, a former soldier who is an ex Royal Engineer. He served just over 7 years, who offered to come in dressed in his Coldstream Guard uniform. He has a collection of ceremonial uniforms as a living history interpreter.

Whats App:

Attached with this newsletter is a poster giving suggestions on how to stay safe when using Whats App. We continue to have many issues with children being extremely unkind and inappropriate on this platform (which has an age rating of 16).

Ice creams:

In more exciting ice cream news, the PTA have arranged to sell ice lollies after school on every Friday after half term.

Parking:

We are really concerned that one of our children may get injured through inconsiderate parking both in and out of the school grounds.

Please **do not drive into the school car park area** if you do not have a permit from the school. We do not have a drop off facility for the start and end of the school day.

Please consider parking a short distance away and walk the last part of your journey—this would have many benefits, not just to our parking issue.

You will have seen a police presence outside school this week—they have been requested to attend as we do not wish any of our children to be hurt on their way to or from school.

If you witness any dangerous driving you can report it to www.operationcrackdown.org
