

Please think...have you parked safely and legally? We are still receiving repeated complaints from neighbours.

Georgian Gardens Primary School

Newsletter Friday 21st June 2024

www.georgiangardens.co.uk

Earlier in the day than usual, but this newsletter is being sent in the morning because by the time the afternoon arrives, it is 'all hands on deck' preparing for the **summer fair**. We look forward to seeing many of you there. Some stalls will have card machines and the rest will be cash only so come with plenty of £1 coins and 50ps! Please consider where you park for the fair to avoid inconveniencing our neighbours. Thank you to all who have played a part in the preparation of this event.

Next week in school we have '**art week**'. Each year group will be studying an artist and will be creating their own art work based around a theme. On the following Monday (1st July), this art will be displayed outside your child's classroom and you will have the opportunity to take it home for a suggested donation of £2:00. This money will be put towards the resources for the week. Any money over and above this will be added to our STEAM fundraising pot.

Class photos are being taken on Friday 28th June, with Y6 having a whole year group leavers photo taken. Please make sure your child has their full, correct uniform on. (Year 3 have their PPA dance/music day on that day so they will come into school in uniform before changing into PE kit after the photo.) If you do not want your child in their class photo please let us know.

Have you had a chance to fill in your parent survey yet? See 'Ping' sent Tues.

 The child with 100% attendance this week:
Zachary F 3ER chosen by a random generator: —he gets to choose a book from Miss Bowers' selection of prize books.

STEAM Club: This week the children have been making mini table football games—very timely with the Euros being played in Germany!

YR Cycling:

We have been extremely fortunate to have been given a set of balance bikes from 'Bikeability' and won a set of real bikes in a schools competition. All of this has been possible because we sent 2 members of staff to a training session on the best way to train children to ride. Nearly every single child in YR can now ride a bike, which we think is something to celebrate.

Y4 Trip to Butser Farm:

Year 4 visited Butser Ancient Farm as part of their Stone Age topic. They had a great day looking at Stone Age homes and touring the beautiful site. They had the chance to take part in Stone Age activities where they could make jewellery, thumb pots and a clunch wall. They also became archaeologists where they dug for artefacts. Everyone had a wonderful day and the children were praised by the staff at Butser Farm for being so well behaved, knowledgeable and polite.

A great competition to enter:

Prizes include family rail tickets.

Fundraising:

Many of you will have seen the fundraising display, or heard Miss Bowers talk about it at sports day. We are, as always, extremely grateful to everyone who gives—small or large donations to this fund.

A reminder that every child brought home a letter before half term which can be given to any family members or friends who have connections with companies. The new quad area is an exciting and unique project which we are desperate to get started on!

Music Summer School dates
