## Georgian Gardens Primary School

Newsletter Friday 5th July 2024

Transition day is always a key event in our school year and this year was no exception. We are always proud to send our Y6 children to their new high school knowing how much they have grown and matured over the past year making them fully prepared for their next step. Equally, it is always a joy to see the rest of our children in their new class for the day as they get to know their new teachers and TAs and familiarise themselves with their new classroom. The year, however, is not over and there is a great deal of activity and excitement to come back in their current classes over the coming couple of weeks.

We have a large number of books which we no longer need—there will be a **table of books** on the playground on Wednesday 10th after school which are free for you to take and enjoy.

Time for the annual **book amnesty**! If you have a school stamped / labelled book at home, please send it back in as soon as possible so that Mrs Sims and the librarians can tidy and sort the library ready for next year. Thank you.

Can we remind you that **smart watches** are not to be worn by children in school. The risk of them becoming damaged or lost is too high. Thank you.

### Y5 Goblin Car Race Day at Goodwood:

How many of us can say that we have driven a car on the motor circuit at Goodwood? What an amazing opportunity the Y5 team had on Sunday. Having spent months preparing the car and practicing how to race it, the day finally came to put their skills to the test. (Photo credits to Paul Arkinstall)

# Art week exhibition:

Having spent the previous week planning, preparing and creating their art, the children were very proud to display their work for the whole school to view and then for parents to see.

### JC Sports Archery Competition:

Rupert, Caitlin and Poppy T (yr4) Chloe and Oliver (yr3) attended the locality competition held at EP junior school Monday evening. The event was attended by about 25 pupils from schools across the locality.

The children had 7 rounds of three arrows to fire and their score was calculated. All the children had a great time showing off the skills they have been practising at the after school club, in challenging conditions as the wind was blowing!

All of GG students did very well and were awarded medals for their success.

Rupert came first in the whole competition coming away with a magnificent and well deserved trophy. He scored 155 to take gold, with silver scoring 138 and Bronze 117. Very well done to all of the children who took part.

### Sports news:

Over the last few weeks children from Georgian Gardens have competed in various activities at The Angmering School. Year 5 and 6 took part in a Stoolball competition and bearing in mind we have only had a couple of sessions to learn the rules and skills to play, we did exceptionally well. With 6's flying everywhere and catches all over the stoolball area, I was incredibly impressed with the children that took part. A fully deserved win!

Some children from Year 3 and 4 took part in an Endball event. With competition fierce these children did not give up, they demonstrated super skills and a quick grasp of the rules. Not a win on this occasion but a parent was very complimentary on the children's skills on the pitch.

This week was a Street Cricket event, even though some of these children had been on their transition day to their new secondary school they still wanted to compete for Georgian Gardens, this shows the commitment of these individuals. It was an incredibly windy afternoon, both this did not stop the children putting in every effort. The first game was against a tough East Preston team. It was a close game but EP took the win. This did not dampen GG and they went on to win every other game giving them 2nd place overall.

Well done to those that took part!

### Fundraising:

Many of you will have seen the fundraising display, or heard Miss Bowers talk about it at sports day. We are, as always, extremely grateful to everyone who gives—small or large donations to this fund.

A reminder that every child brought home a letter before half term which can be given to any family members or friends who have connections with companies. The new quad area is an exciting and unique project which we are desperate to get started on!
