

Life on Earth

Year 6

Spring term

Rationale for Learning

To encourage the children to explore various 'extremes' in life – from weather patterns around the world and temperatures, to how animals cope in extreme climates along with a focus on extreme explorers and adventurers. We will also be focusing why it is important to look after our planet and its inhabitants.

Suggested activities for families to help support learning

- Encourage and support homework activities and the importance of organisational skills and deadlines- especially with secondary school looming.
- Share fiction and non-fiction books with your child
- Encourage your child to read daily which then gives them the opportunity to take an Accelerated Reader quiz in school
- Times Tables Rock Stars online games and competition

Reminders

- P.E. clothes at school every day. (Set of warm clothes for outdoor P.E)
- Homework: given weekly and termly. Please ask you teacher if you are needing extra support with this.
- Y 5/6 spellings and Rock Star challenge

Life on Earth

Study Unit Overview

Mathematics

Multiplication/Division
Fractions
Multi-step word problems
Percentages
Revision

Art

Hot/cold artwork
Recycled artwork

Computing

Setting up search engines
We are toy makers

English

Non-chronological writing
Narratives
Poetry
