[SCHOOLPING will stop after today!](#)

What a great half term it has been. The children settled quickly into their new classes and have spent the term experiencing new things and taking on new learning. As always, it has been a pleasure to have parents’ evenings this week. The teachers really value the opportunity to discuss your child’s progress in more detail. If you didn’t get a chance to return your data information form, please do so as soon as you can so that we have up to date contact and medical details on our system.

Please **do not use the school car park unless you have a valid permit**. Once again we have had near-misses. Also, do not double park, please as our staff need to come and go promptly at all times of the day.

6BA Cassidy	6HB Ava

Attendance: Whole school: (to date)

The class with the highest attendance in the past week:

1HK 99% (they will have 15 minutes choice of a treat next week).

The child with 100% attendance in this last week, chosen by a random generator:

Kai 3HC —he gets to choose a book from Miss Bowers’ selection of prize books.

Snapshot of the week:

Y3 have been learning about Beatrix Potter and enjoyed the 'Peter Rabbit' story a great deal. They created these delightful watercolour pictures for their own re-telling of the story.

We learnt about the Hindu festival of Raksha Bandhan where children make friendship bracelet for a sibling.

As part of our work on the five senses, the children learnt about touch. We explored different textures in and around the classroom. We thought of adjectives to describe the way things felt, and then described objects in a feely bag using these words.

PTA:

We are extremely grateful to the PTA committee who organise each of our fundraising events. However, for them to run smoothly, we also need parents to help 'on the night'. Please do consider helping at our firework event on 7th November.

Contact the PTA via the school office,

email PTA@georgiangardens.co.uk

or speak to your year group PTA rep on the whats'app group.

Thank you!

The Nebula:

Hopefully, you will have heard lots of conversations about how much fun it is to be in The Nebula (our STEAM zone). Today, Y5 spent breaktime in the there and it was a joy to watch these children playing so creatively and imaginatively. Well done to Kit, Antoni, Elliott and Eli.

Sports News:

On Tuesday we enjoyed our first KS1 Multi skills event of the year! A fantastic mixture of Year 1 and 2 pupils took part. Some of our Year 1 children were a little nervous at first - it was their first event - but they soon grew in confidence once the activities began.

The Sports Leaders at Angmering School did a brilliant job organising a fun rotation of events, including hitting a cricket wicket, football goal scoring, bean bag target throwing, and basketball challenges.

We entered two teams and both performed brilliantly, everyone showed great enthusiasm, teamwork, and determination throughout the afternoon.

Well done to those who took part, you represented the school wonderfully.

Author Visit to Y2:

Christine Chambers came to talk to the children about life as an author / illustrator. They were inspired to create their own foxes.

Y4 Quidditch:

The children had fun in PE playing the Harry Potter game of quidditch. As part of their English work they have had to write the rules of the game. What better way to test them out but play it for real!

Lunch boxes:

We have noticed that some children are regularly bringing inappropriate food in their lunch boxes. Please do not send your child with big bars of chocolate, sharing packs of crisps, sweets (such as 'Moam') or, indeed, chips.

We also have children in school with **extremely serious nut allergies** so **DO NOT** ever send nut based food / peanut butter / cakes with nuts in.
