

Georgian Gardens Primary School

Newsletter Friday 16th July 2021

Well, it certainly has been another fabulous and busy week at GG. It is always exciting at the end of each term to see the activities which are organised to draw a close to topics. Seeing all of the YR children and staff dressed up as pirates was an absolute joy although I wasn't so keen when one suggested I should walk the plank! Y6 have been having a selection of treats—the inflatable assault course was a particular favourite. Y4 have had a day of experiencing stone age food by foraging on the field then tasting the berries.

The whole school has taken it in turns to compete in their sports day activities. The sound of cheering has rung through the building all week. Every class has been learning all about an Olympic country so there have been lots of flags, fact files and food tasting happening. From Canada to New Zealand and all stops in between, it has been fantastic to see a flavour of each country around the school.

Here are some key dates which are coming up in the next few weeks:

INSET Friday 23rd July

Isolation:

Please remember that if your child needs to isolate at home for Covid (either being unwell, awaiting a result or being a close contact) there will be work set on Seesaw / Tapestry for the time they are off school. **It is vital that if a member of your household is showing symptoms you must all isolate and take a PCR test. Your child can not return to school until they receive a negative result.**

Y6 Band:

Mr Britt, who teaches music in school, has been working hard with a number of children in Y6 to create a band. They have spent many lunchtimes practicing and recently, have made use of the outside space to entertain Y6 at lunch break. It has been an absolute joy to have the chance to see them in action—they really are extremely talented. We thank Mr Britt for giving them the opportunity to fulfil their potential. The photos below show Gabriella, Terrian, Jack C, Charlie, Ruby and Jake.

Chatterbooks:

Mrs Sims (our volunteer librarian) has very much enjoyed running her 'Chatterbooks' club for a group of Y5 children. It has been wonderful to make use of the new library in this way.

They will be holding a **cake sale** to raise money for books after school on Wednesday 21st July. All cakes will be £1—no change can be given so correct money only, please.

BOOK AMNSETY! As it is the end of the year you may find that you have some school reading books at home. Please do send them back into school so that other children can use them in the future. Thank you!

YR pirate day—don't they all look great?

Year 5 cyanotype prints

Y4 Stone Age food day:

The children had to forage on the field for food (laminated information sheets!) and then returned to the classroom to create some Stone Age meals. Delicious!

Reminders:

If a school club is cancelled due to bad weather, we will send a Ping out to inform you of the cancellation, the club will also be cancelled on the club line, which you are encouraged to check after 2pm on the day the club is running.

We are still collecting used stamps for the RNIB, please drop any into the school office, they raise vital funds for a great charity!

Please be careful and considerate when parking around the school grounds, only parents with a prior arrangement with the school may drive onto the school premises—this is especially important as we have had some near misses.
