The rain and cold won't dampen our spirits in school—the children have had another great week of learning with some really exciting activities which, no doubt, they have told you all about. KS1 are busy rehearsing for the nativity (see page 3 for dates). During assemblies and lessons this week the children have been learning about the meaning and significance of Remembrance Day. Today, they took part in a short silence as our mark of respect. Thank you to those who were able to buy a poppy this week—The Royal British Legion, for whom the money is raised for, are always extremely grateful for all donations.

### Fireworks Event:

Once again, grateful thanks to everyone who came to the fireworks last Friday—what a fantastic evening! We are always extremely grateful to every single person who had any part in making it happen—it is a huge team event. We are still finalising all of the takings from 'on the night' and ticket sales but know that the fundraising total will be amazing. Thank you to our sponsors, 'Store Property', 'Euphoria' and 'Citrine Rose' along with The Lions Club who sponsored our hot water

urns and Travis Perkins who provided the extra

lighting for the  
stalls.

### **Year 5 Remembrance Art:**

If ever a piece of art spoke for itself, it's now. These evocative and moving pictures were created by Y5.

### **Sports News:**

On Tuesday afternoon 5 girls from GG competed in a Football tournament. We played schools in our local cluster at The Angmering School. The girls played amazingly well. Ruby and Freya developed a great pattern of play in attack which saw the team win one game 7 - 0!

With the loss of just one game we came away as runners up. A fantastic result. Well done to all that played.

### **Year 1 'Drone Man':**

On Monday, Year One were visited by Mark Emerton who came to teach us about drones. He had a collection of drones to show us and we learned all about how they work and the different ways that they can be used. We watched the drone fly above our heads on the playground and it even took our photo!

We spent the rest of this week sharing all of our new knowledge about drones in a fact file.

### **Children in Need:**

Once again, this year we shall be supporting the **Children in Need** fundraising day on **Friday 17th November**. Children are allowed to come to school in their own clothes—something spotty if they have it. Some of you may wish to be creative and create your own spotty outfits but if you have nothing spotty—they can still come in their own clothes...for a small donation of at least £1.00

### **Easy fundraising:**

The run up to Christmas is the best time to remind you that you can donate money to school without spending any extra money. Visit your favourite online shop via the Easy Fundraising site and they donate money to us.

### **Please Note:**

There have been a lot of arguments in school between children over their 'Prime' bottles. As a result, we ask that no child brings their water to school in a 'Prime' bottle. Thank you.

### **Here are some key dates which are coming up:**

Friday 17th November	Children in Need—wear something spotty!
Saturday 25th November	A craft fair will be held in our hall
27th and 29th November	Y6 Viking Morning
