Newsletter Friday 8th September 2023

[www.georgiangardens.co.uk](http://www.georgiangardens.co.uk)

Dear families,

Welcome back to the new school year and a very warm welcome to all of the new families that are joining us in reception class and across the school. We are also welcome three new teachers to our school: Miss Denney (Y1), Miss Bailey (Y3) and Miss Clarkson (Y5).

I hope that you have had a relaxing summer break, the children certainly seem to have come back with a great deal of enthusiasm for their learning this week. It has been great to see everyone getting to know their new teachers and sharing stories about what they have got up to over the summer.

We are really looking forward to the year ahead and hope that you can join us for the meet the teacher events that are happening at the times shown below. This is an opportunity for you to find out more about what the pupils will be learning during the year.

Miss Bowers

### **Colours of the Ocean Day – Friday 15<sup>th</sup> September :**

Just before the summer we shared the very sad news with you that our business manager Mrs Stables passed away after a short battle with cancer. On Friday 15<sup>th</sup> September we are holding a 'colours of the ocean day' in school to remember Mrs Stables. All staff and children are invited to wear sea colours (Mrs Stables absolutely loved sea swimming!). We will be collecting donations at the start of the day if anyone wants to make a small donation to St Wilfred's hospice who looked after Mrs Stables so amazingly well. This will be donated as a gift 'from the children of Georgian Gardens'.

**Important Reminders—please read:**

Please ensure your children **stay on the path** with you when lining up in the morning and do not run over the grass areas. Please do not allow your child to go under the low hanging tree at the front of school.

Children are **not allowed to play on the play equipment** before or after school during drop off and pick up.

Please **park courteously** around the school, making sure that none of our neighbours are blocked in. and keep your speed low as there are lots of children walking to school. (Parents are not permitted to park in Woking court at the back of the school and may face a fine if they do so).

The children have been looking really smart since coming back to school and we remind you to continue sending them in wearing **black shoes**, no trainers please.

If children wish to have a snack at break it needs to be **fruit** please. A number of children have been eating parts of their lunch at breaktime so it may be worth asking if they need a little extra (fruit) for the morning. KS1 children are offered fruit in school.

**Summer Building Improvements:**

In a constant bid to keep our school in the best condition possible we strive to undertake larger projects each summer. We were fortunate to receive funding this year from the local authority to replace sky lights, windows, doors, lighting and blinds. The new windows will keep the school much more secure and energy efficient, the blinds will really help when using the interactive screens in classrooms and the lighting will have a real benefit to the quality of light in school—the old strip lights are no more. The school is certainly looking even smarter thanks to these changes. Many thanks to Mr Greener, our premises manager, who has project managed all of this work over the summer.

**Thank you PTA:**

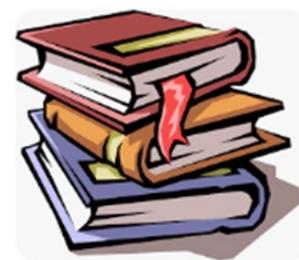

In addition to the internal work done over the break, we now have a brand new canopy over the quiet area. It has certainly been a welcome addition to that space this week with the hot weather. We are grateful to the PTA for funding this canopy (they cost more than you'd think!) and extremely thankful to all of you who have ever spent any money at a PTA event as it is the proceeds from such occasions which are used for spending such as this.

The PTA can only function with your support and we urge you to offer to help at events or even offer to come to the PTA meetings at which the events are planned. Many hands make light work. The PTA are a friendly bunch and would welcome you with open arms.

**Reading:**

Your child will be bringing home a reading diary once again this year. **Every child in school is expected to read at home on a daily basis and record it in their diary.** The older children may wish to write in their diary themselves but we would appreciate it if an adult can counter sign at least once a week. Class teachers will be monitoring the reading diaries this year to encourage the children in their good reading habits.

Along with this newsletter is a list of top tips on what to talk about with your child when reading at home.

There are lots of videos online which give tips on how to read at home successfully—here is one which gives some great ideas on how to read a story to your child making it as exciting as possible.

**Family THRIVE:**

This incredible programme has been a real success this year with every parent who has taken part saying that they have learnt a lot, family life has changed for the better, that they have learnt new skills and added ideas to their tool kit.
