## Georgian Gardens Primary School

**Newsletter Friday 28th June 2024**

[www.georgiangardens.co.uk](http://www.georgiangardens.co.uk)

Thank you so much for coming to our **Summer fair** last Friday. It was one of the most successful ever—not just in numbers attending but in the amount raised. There are still just a couple of final pennies to count but currently, our profit is around £5500. Extremely grateful thanks to HSBC for match funding a stall, too. We can't do it without a team of helpers and we are so grateful to everyone who had a hand in any aspect of the event. Our chair of the PTA, Kelly-Ann Monnery, along with the main PTA team worked tirelessly to organise the event and all of the helpers—many thanks to them all.

The children may well have been telling you about the art they have been working on this week as part of '**art week**'. The good news is that you are able to view the art created as it will all be displayed outside your child's classroom on **Monday, 1st July**. You will have the opportunity to take it home for a suggested donation of **£2:00**. This money will be put towards the resources for the week. Any money over and above this will be added to our STEAM fundraising pot.

**Littlehampton Men in Sheds:**

Thank you so much to the 'men in sheds' group who have made us these puddle suit racks. We are asking YR parents from September to provide a puddle suit and wellies for their child to enable them to be outside as much as possible to enhance their learning. As they say, 'there's no such thing as bad weather, just bad clothing!'

A safe, friendly and neutral place  
where children of separated families  
are able to spend time with their  
non-resident parent.

### Fundraising:

Many of you will have seen the fundraising display, or heard Miss Bowers talk about it at sports day. We are, as always, extremely grateful to everyone who gives—small or large donations to this fund.

A reminder that every child brought home a letter before half term which can be given to any family members or friends who have connections with companies. The new quad area is an exciting and unique project which we are desperate to get started on!
