

Georgian Gardens Primary School

Newsletter Friday 8th December 2023

www.georgiangardens.co.uk

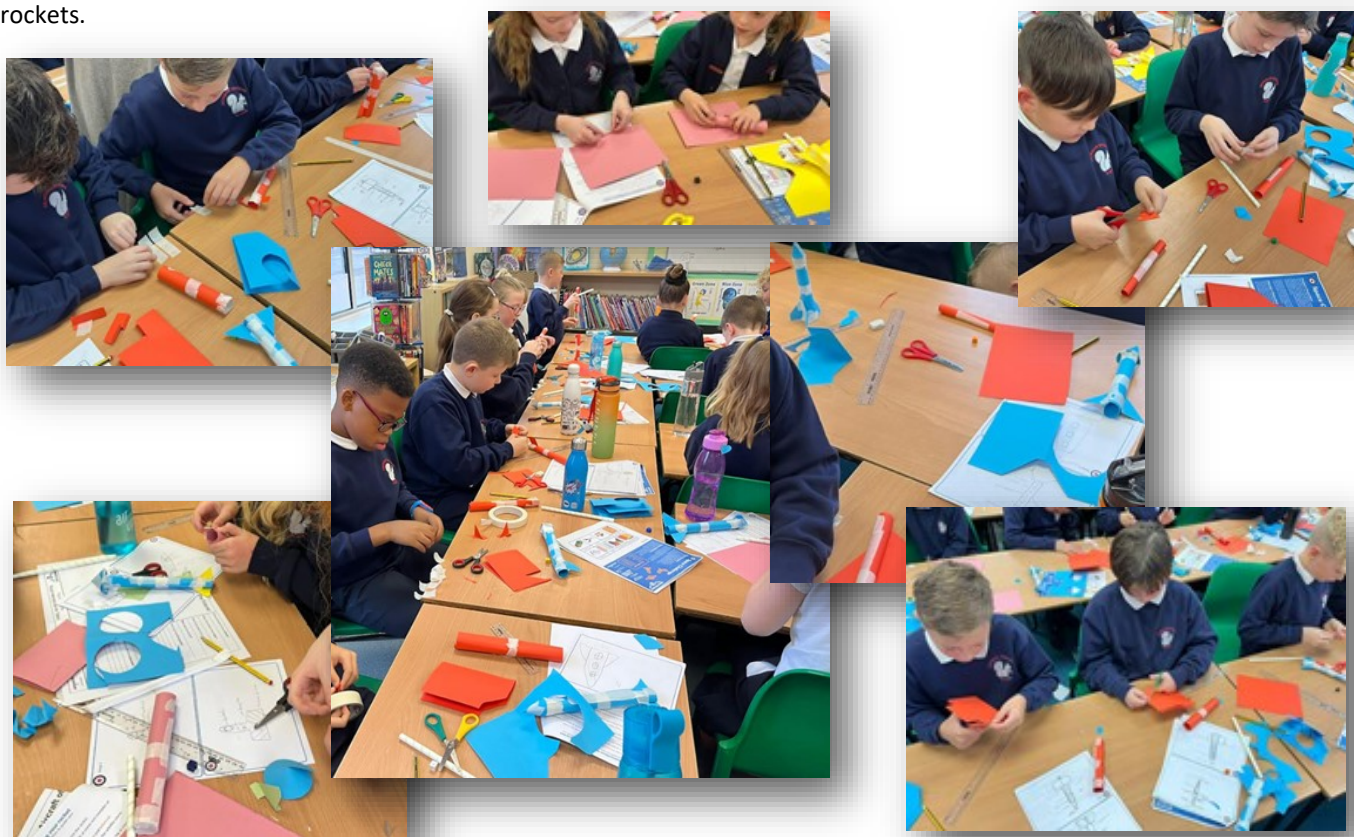

What a fantastic week it has been in school. The Y6 children have had a super time on their residential—they will be home now telling tales of all the fun they have had. Y3 have been marking the end of their topic with a 'Best of British' day today—the outfits the children have chosen to wear were great. Year 4 have been creating potions as part of today's 'Harry Potter Day'. Mr Britt and his band have serenaded everyone as they arrive at school on the last few Fridays—a real treat. KS1 are still recovering from all of their hard work with the nativity which they performed this week. The clarity of the speakers and the quality of the singing has been remarked upon by many who came to watch. Well done to everyone who worked so hard to make it a success. Next Wednesday is our Christmas meal day which also means it is **Christmas jumper day**. All children can wear a jumper with their uniform. Always a truly festive and fun day in school.

Y5 Engineering Day:

The children in Y5 had an extremely interesting day last Thursday as they worked with experts from the Small Peice Trust, an educational charity that inspires young people to pursue careers in science and engineering and the RAF to design and create rockets.

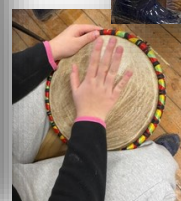

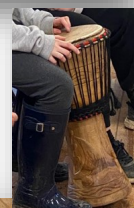

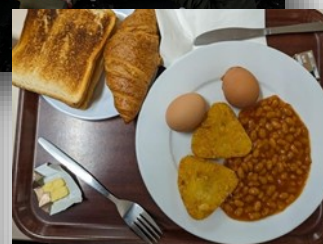

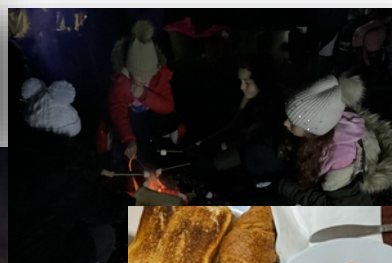

Important Reminders:

- We are a '**no nut school**'. Please do not put any food containing nuts in lunchboxes at all.
- Please ensure that your child's **PE kit** is in school all week. We have had a lot of children without kit or in the wrong kit. Please also check that their trainers still fit.
- **Phone school before 8:30am if your child is unwell** and then every day that they will be off. We have to be able to account for every child in school as early as possible after the registers close.
- Only drive into school if you have a **permit**. This includes if you are late.
- Please ensure your child is in school **promptly** (8:50am for KS2, 9:00am for KS1).

Year 6 Residential:

The children have been having the time of their lives this week at Sayers Croft. Here are some photos which give a taste of some of what they have been up to. No doubt the children will have many tales to tell once they are home, showered and slept!

Year 4 Harry Potter Day:

It has been a day of exciting science experiments and Harry Potter themed learning today for Y4 as they draw this term's topic to a close.

Sports News:

On Tuesday children from KS2 competed in The Santa Dash. This was a fun run organised by TAS. Children dressed up in Christmas outfits and ran The Angmering Mile. It was a lovely event with Angmering School sports leaders running with the children too!

Fundraising:

Easy fundraising is a brilliant and easy way to make me for the school PTA without costing you an extra penny. Sing up to the Easyfundraising app and select the school you'd wish to be donating toward then click the link to the shop you want to shop from and they do the rest! Our PTA then get a small percentage of your shop—this does add up over regular shopping or large purchases.

Year 4 Art:

Year 4 have been making repeating patterns for art. Mrs Carolin kindly came in and worked with us on our repeating patterns. We decided to create some Christmas themed patterns.

Here are some key dates which are coming up:

Wednesday 13th December

Christmas lunch / Christmas jumper day

Tuesday 2nd January

First day of Spring term

2023—2024 Term Dates:
