Although it has been a shorter week with Bank Holiday Monday at the start, the children have been as productive as ever in their learning. We have, once again been delighted to welcome new children to our school—we have really enjoyed getting to know all of the new children who have joined us recently.

You may have seen in a recent 'Ping' that we have set dates for the summer fair and sports day—put them in your diaries!

Sports day—**Thursday 30th June** (KS1 am KS2 pm)   Summer fair **Friday 24th June** 3:30—5:30pm

PLEASE DO NOT DRIVE INTO THE SCHOOL CAR PARK AT DROP OFF AND PICK UP TIMES.

This is a regular reminder but we still have occasions when children's safety is at risk due to too many cars moving around the car park. Your child's safety is our priority.

Equally, do not park in the disable space unless you have a blue badge. We have families who have genuine need to use this accessible parking.

Art activities at break time:

This week, the children have had an exciting new feature added to their break times—art trolleys. The art team, led by Mrs Mills has bought a whole range of art resources for children to access easily from trolleys on the playgrounds. As you can see from the photos, the children have loved using the paper, pens, crayons, chalks...

Sports news:

We were very proud to see 35 KS1 children at the Angmering half mile running event on Tuesday. It is always wonderful to have such a great turnout at such events.

Ice creams:

On the following dates Y6 will be selling ice creams to raise funds for their summer production:

Friday 13th May, Thursday 19th May, Friday 20th May, Thursday 26th May.

In more exciting ice cream news, the PTA have arranged to sell ice lollies after school on every Friday after half term.

Tennis success:

We always enjoy hearing about the successes our children have outside of school and it was wonderful to learn that Mimi (Y5) came runner up in a recent tennis tournament, 'The Pav and Ave Open'.

Congratulations Mimi.

Communication:

As you know, we strive to be as available as possible to talk about issues which arise in school. We openly welcome any conversation. We do ask that if you have a situation where your child has had a problem in the day which they tell you about that you contact either the class teacher or a member of SLT to discuss the situation. We are well equipped to investigate with all involved.

Y6 parents of children going to The Angmering School:

If you have not yet made your School Cloud appointment for a meeting with the headship team, please do so this week-end so not to miss the chance to introduce your child.

Football:

Please see the attached flyer advertising East Preston Football Club summer recruitment.

Chartwells:

Attached with this newsletter you will find a template crown for a competition which Chartwells are running for the Jubilee. Please see their website for further information.
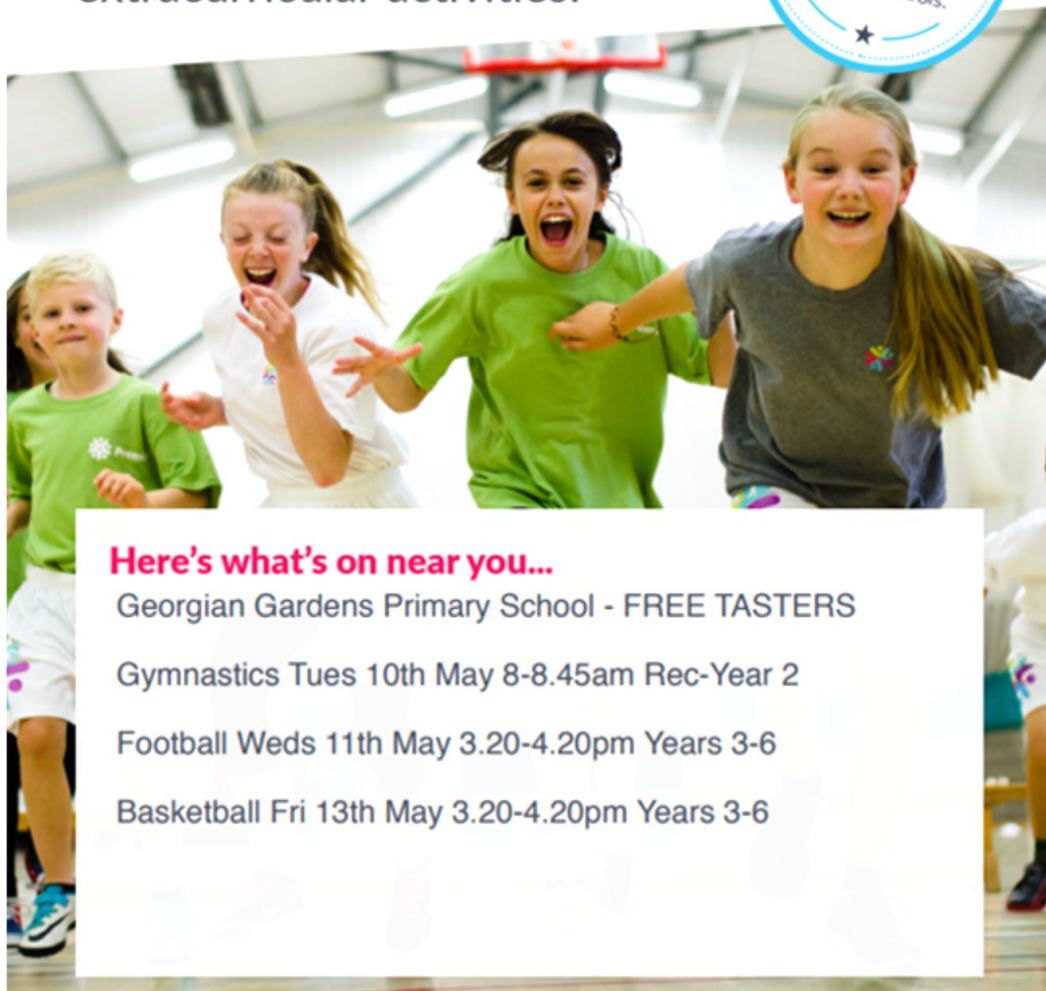

Clubs news:

Please do sign your child up for one of these clubs quickly

—there are currently spaces but they will fill up fast.

Rail safety:

Network rail have contacted the school over concerns about young people playing on the tracks and the dangers of this. Here is a link to a short video on this issue which you may wish to share with your child (from ages 7-11). It would be advisable to watch the video yourself before sharing it so that you are able to discuss any of the themes. Living so close to a busy railway line is wonderful yet does present many potential dangers if misused.

From Network Rail:

The session is less than 15 minutes and explains why it is important to stay safe near the tracks. Over 14 million students, parents and teachers from across the UK have watched these videos which has led to a significant decrease in the number of trespasses in their area through watching the latest rail safety videos. Remember 15 mins can help save lives and provide important safety information to young people and their parents. We have made things easier for you to watch the free safety videos by just entering the email railsafety@learnliveuk.com into the I am registered field when you first watch the videos.
