

Georgian Gardens News and Updates 23.10.20

Dear Families

Thank you for all your support in the reopening of Georgian Gardens over the past half term. It has not been an easy time for anyone and I am amazed by the way in which our community continues to pull together to support each other.

Virtual Harvest Assembly

This week we held our Virtual Harvest Assembly. The donations will make a significant difference to those in need. The Salvation Army collected the food this morning and will ensure that it is distributed to people who need it the most. Thank you so much for your generosity.

Rustington in Bloom Award

We also had a visit from Vice Chair of Rustington Parish Council, Mrs Alison Cooper, to present us with the Rustington Parish Council, Gardens Competition, 2020 Schools Award. Well done to everyone who has helped to keep the grounds looking brilliant!

Half Term Holiday

Next week is half term holiday; I hope that everyone has a restful and safe week. We obviously need to have plans in place if someone was to become ill with corona virus. Please note the following important information:

IF YOUR CHILD OR SOMEONE IN YOUR HOUSEHOLD SHOWS SIGNS OF CORONA VIRUS AND THEN **TESTS POSITIVE**, YOU MUST LET THE SCHOOL KNOW IMMEDIATELY VIA EMAIL. office@georgianagrden.sussex.sch.uk THIS WILL ALLOW US TO ACTIVATE OUR SYSTEMS IN COLLABORATION WITH PHE FOR ALERTING OTHERS THAT THEY NEED TO ISOLATE. PLEASE ALSO FOLLOW THIS ADVICE IF YOUR CHILD BECAME ILL AT A WEEKEND AT ANY POINT.

Monday 2nd November is an INSET day. Teachers will be working on developing our Education for Safeguarding curriculum.

School reopens to pupils on Tuesday 3rd November.

Reminders

- Please do not let your child bring toys (including swappable cards) into school)
- Please do not share photos on the school Facebook pages of other pupils. If you wish to add your own child that is fine, but not all of our pupils have consent to be on social media – thank you.

I hope that those of you who have had parent/ teacher consultations over the phone this week have found them helpful. There are several others taking place after half term. I would like to thank all of the staff for their hard work this term. There have been many adaptations to make in the school and everyone has done this whilst keeping the children at the heart of all our decisions.

Kind Regards

Miss Bowers

Headteacher
