## 10<sup>th</sup> July 2026

This week started with two days of excellent workshops led by Grace from Open View Education based on the theme. All of the children responded well and learnt a great deal from the sessions – see the photos on the next page.

### Some news just in from the government –

*From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.*

### 10<sup>th</sup> July 2026

On Monday and Tuesday, Grace from Open View Education led workshops for children across the whole school. Using drama and role play she explored themes around anti-bullying, what it is and what to do if someone you know is being bullied.

### Chatterbooks Take on the Rustington Scarecrow Trail!

On Thursday 9 July, the Year 5 Chatterbooks Group enjoyed a creative time at Rustington Library to build their entry for the Rustington Scarecrow Trail 2026.

This year's theme is *Scarecrows Through the Ages*, and our Chatterbooks team has chosen Peter Pan, celebrating Rustington's special connection to J.M. Barrie, the beloved author of the classic story.

The Scarecrow Trail will run from 1–29 August 2026. Trail maps will be available nearer the time, and details of how to vote for your favourite scarecrow will be shared on social media and the Rustington Parish Council website.

Last year, our Chatterbooks Group soared to second place with their fantastic Willy Wonka scarecrow. Can Peter Pan fly all the way to first place this year? That's up to you! Every vote counts.

Thank you for your support and keep an eye out for Peter Pan on the trail this August!

Year Five investigated bridges as part of their work on rivers. They made wooden truss bridges, measuring and cutting accurately and constructing them collaboratively.

As part of our English following instructions, year 4 created a 3D version of Stonehenge.
