Welcome back! We really do hope that you had a restful and pleasant Easter break. The children have settled back into school really quickly and there has been a lot of exciting learning once again this week as the new topics for this term have been launched.

It was with great excitement and pleasure that we received the final report from OFSTED this week. As you will have seen in the 'School Ping' message, we are extremely happy to announce that we received a 'GOOD' judgement in all areas and therefore as an overall judgement. Led by Miss Bowers, the whole school team, and especially the children, have worked very hard to achieve this and we are all very proud. Thank you to all parents who have continued to be so supportive and this was very much reflected in the parent feedback to OFSTED.

### **Chartwells—hot school meals:**

Our lunchtime staff have requested that parents check the new menus as there have been some incidents this week where a child has not liked the food on offer and therefore not had much to eat at lunchtime. Please send them to school with a packed lunch on the days where there is no meal they like.

### **Birthdays:**

We do appreciate that children wish to include their class mates in their birthday celebrations but politely request that you do not send them in with sweets to give out. In lieu of this, we invite children to come to school in their own clothes on their birthday (or a school day nearest to their birthday). Thank you for your co-operation with this.

### **Here are some key dates which are coming up:**

Monday 2nd May	Bank Holiday	Wednesday 4th May (for 10 weeks)	Y4 swimming

There were some wonderful spring boxes returned to school this week. The winners were chosen with great difficulty, as they were all so amazing, we can see how much effort each of the children put in. Miss Bowers made her selection from each year group.
